Education

UNICID – University of the City of São Paulo

São Paulo - SP

Bachelor's Degree in Computer Science

Feb 2023 - Dec 2026

Cumulative GPA: 7.85/10

Soft & Technical Skills

. Technical Skills

- . Spring Boot, React Js
- . Java, Python, Typescript
- . MySQL, PostgreSQL, SQLite
- . AWS, MinIO, Docker
- . Redis, Git
- . NIST, CIA Triad, SIEM
- . OWASP Top 10

.Soft Skills

- . Adaptability
- . Teamwork
- . Problem Solving
- . Continuous Learning
- . Effective Communication
- . Critical Thinking
- . Time Management

Projects & Experience

Blog API - Completed

Spring Boot, Java, MySQL, Redis, MinIO, Docker

- . Developed with **Spring Boot** and **Java**, following **Restful** standard.
- . Full management of posts, comments and users.
- . Authentication using **Oauth2 (Google)** and **JWT**, ensuring security and access control.
- . **Optimized SQL queries** to improve performance in **MySQL** database.
- . **Caching com Redis**, reduzindo latência de endpoints críticos.
- . File storage with **MinIO**, a solution compatible with **Amazon S3**

PhishWatch – In progress

Spring Boot, Java, MySQL, Redis, Docker, Gemini AI, React, Typescript

- . **Phishing detection** system that monitors emails using customized rules.
- . Flagged emails may be or are forwarded for review by **Gemini AI**, which provides the final verdict.

Certifications & Courses

AWS Certified Cloud Practitioner (In Preparation) – Amazon Web Services

Basic concepts of cloud computing, AWS services, security best practices, and shared responsibility model.

Santander Bootcamp 2025 (Enrolled) – DIO

Selected to participate in the bootcamp promoted by Santander and DIO, focused on back-end development with Java and Spring Boot. Scheduled to begin in 2025.

Networking Basics – Cisco Networking Academy

Completed – 28h, Feb 2025

Fundamentals of networking, OSI/TCP-IP models, and basic configuration.

Google Cybersecurity Professional Certificate – Google&CIEE/Coursera

In progress (30%) – 300h

Hands-on training in security, SIEM, NIST and incident response.

Advanced English – Kumon South America

Completed – 4 years

Reading, writing, and communication with a technical focus

Additional certificates and other courses are available on my LinkedIn and Portfolio.
